The January meeting minutes were reviewed. Commissioner Green made a motion to approve the minutes. Commissioner Bentley seconded the motion. The council voted and the January minutes were unanimously approved.

Mayor Schmitt requested the notes for the new build house project from Commissioner Green. He noted the traffic sign replacement project by Eagle Sign is almost complete, and that Commissioner Bentley is just waiting for Eagle Sign to follow up about the front entrance sign repair. The cost to join the Kentucky League of Cities is \$400 and the League offers the City Officials Legal Handbook for \$50. Commissioner Green suggested buying just the Handbook without joining the League.

Streets and Drainage Report by Emily White. Commissioner White reported an update for the MSD project on Shallcross stating that John Matthews with MSD is coming to the location to note the scope of the project and it could possibly start in March. She also reported an update for the street paving project which has been confirmed with ADC Paving. ADC Paving produced a video for residents offering to pave driveways at a discount rate while they are in the neighborhood. Mayor Schmitt posted the video to the public Nextdoor platform. Also, ADC Paving delivered flyers to mailboxes today as well.

Lights, Signs, and Insurance Report by Commissioner Bentley. Commissioner Bentley is waiting for Eagle Sign to follow up with the front entrance sign repair. Commissioner Green reported seeing spray paint on the Glen Hill and Runnymede street signs and she will send a picture to Commissioner Bentley.

The City's current sanitation provider, Rumpke, submitted a bid, and Eco Tech which services Indian Hills and Windy Hills submitted a bid as well. She noted receiving all different responses but some residents wanted recycling two days per week.
