The purpose of the special meeting was to vote on the O'Daniels' project plans, which required city approval. The July meeting had been canceled for lack of a quorum. The commissioners voted unanimously to approve the project plans, provided that the O'Daniels warrant to the council that the plans comply with all deed restrictions.

After the special meeting, Cindi Sullivan joined to discuss Trees Louisville. Cindi explained that a grant from MSD would help cover the cost of the trees. Because the paperwork is complex, Trees Louisville will complete it on behalf of the city.

The council discussed issuing a newsletter to the neighborhood covering tax rates, insurance premiums, the trees, paving, and other items. Commissioner White will work to obtain updated paving pricing.
